

## THE TERRIBLE TEN

Which of these “Terrible Ten” stops you from becoming the kind of teacher you would like to become?

*[I'm proud of you. Only honest people take this test.]  
I have struggled with 6 of them.*

- preparing too late in the week
- laziness
- too many jobs in the church
- time squeeze
- fear of failure
- discouragement
- priorities out of balance
- lack of teaching role models
- apathy
- lack of vision for my teaching ministry
