

*3 Different People Learn a Bible Lesson  
3 Different Ways*

**Pro 21:11**

When the **scorner** is punished,  
the **simple** is made wise:  
and when the **wise** is instructed, he receiveth  
knowledge.

**Pro 19:25**

Smite a scorner,  
and the simple will beware:  
and reprove one that hath understanding, *and*  
he will understand knowledge.

There are men & women in your class who just have to try  
something to see if it doesn't work.

There are others who can watch somebody mess up  
and suffer the consequences, then  
learn not to do it that way by observation alone.

Then, there are those who simply need to be given  
a bucketful of advice  
and are content that they know  
what the negative outcome would be  
and reject the notion that "experience"  
is the best teacher.

Be patient with all three groups.
